Key Insights

Boundary Dependency

High boundary percentage indicates need for rotation improvement

Emerging Talent

High strike rate players with limited matches are future investments

Batting Depth

Teams need stronger middle-order contributions

Made with GAMMA

Recommendations

01

Boundary Dependency Review

Develop rotation strike for difficult pitches

02

Talent Scouting

Invest in emerging high strike rate players

03

Team Batting Depth

Strengthen middle-order in auctions

04

Top Order Focus

Rely on consistent runs per match leaders

05

Power Hitters Utilization

Promote during middle and death overs
